Notes:

1. SafePace Cloud: Allows you to remotely access and manage your signs from anywhere, anytime.
2. Stealth Mode: Baseline traffic data can be collected for comparison and analysis while speed display appears blank to motorists.
3. Optional Universal Mounting Bracket allows the sign to be easily mounted to virtually any type of pole or surface in a quick, easy and secure manner.
4. Dolly is only available for SP100 (solar and battery models); SP450, SP550, SP650 (battery models).
5. Custom Messaging: Display a scrolling message or moving arrows.
6. Battery and solar panel weights: 4 Cell Battery (4.4 lb.), Lead Acid Battery (13.2 lb.), 50W Solar Panel (11 lb.), 90W Solar Panel (17.6 lb.)
